BY-LAWS OF THE CITY OF
HAMILTON

01 - 215 ...

OFFICE OF THE CITY CLERK
MEMORANDUM

TO: All Departments Requesting By-Laws

FROM: Lisa Barroso
Information Management / Records Co-ordinator

DATE: 2001, September 27

SUBJECT: **By-Law Distribution**

Contrary to my previous memo regarding By-Law Distribution, please find enclosed your copies of by-laws 01-215 to 01-220.

Please be advised that only the Parks By-Law 01-219 came into force and effect on the date of its enactment on September 18, 2001. By-Laws 01-215, 01-216, 01-217, 01-218 and 01-220 will come into force and effect upon the issuance of an order by the Province establishing the set fines of each by-law.

If you should have any questions regarding said by-laws, please contact the Parking Operations Division directly.

PART 4 - PEDESTRIANS, BICYCLISTS, AND ANIMALS

PEDESTRIANS

38. Where there is a sidewalk on either side of the roadway, no pedestrian shall walk along the roadway.

39. Where sidewalks are not provided on a highway, a pedestrian walking along the highway shall walk on the left side thereof facing oncoming traffic and, when walking along the roadway, shall walk as close to the left edge thereof as possible.
40. A pedestrian shall not cross a roadway by other than by the shortest route, except within a crosswalk.
41. No pedestrian shall proceed over or under a railing or other such barrier permanently installed along the edge of a sidewalk.
42. Where suitably worded signs are displayed, no pedestrian shall cross or enter any highway named in Column 1 of Schedule 24, in the direction or directions set out opposite thereto in Column 2, at that side of the intersection shown opposite thereto in Column 3.
43. No person shall walk or stand together with one or more other persons in such a manner as to impede pedestrians or vehicular traffic.
44. No person shall play or take part in any game or sport upon a roadway, and, where there is a sidewalk, no person upon roller skates, roller blades, inline skates or riding in or upon any coaster, scooter, skate board, toy vehicle or similar device, shall go upon a roadway except for the purpose of crossing the road, and when so crossing such person shall have the rights and be subject to the obligations of a pedestrian.
45. (1) Notwithstanding the other provisions of Part 4 of this By-law, no pedestrian, cyclist or person riding upon, leading or driving an animal, shall travel upon or along or cross any highway or part of a highway set out in Schedule 25, save and except that this prohibition shall not apply to:
- (a) Police Officers, Fire Fighters, Ambulance Drivers/Attendants, Municipal Law Enforcement Officers, Tow Truck Operators or other emergency workers, in the performance of their duty; or-
 - (b) Employees of The City of Hamilton in the performance of their duties; or,
 - (c) Persons making use of the highway where such use is necessary because of an emergency or vehicle breakdown.
- (2) Schedule 25 describes the following:
- (a) in column 1 thereof, the name of the highway or part of a highway;

- (b) in column 2 thereof, the point at which the prohibition commences;
and,
- (c) in column 3 thereof, the point at which the prohibition terminates.

BICYCLISTS

- 46. (1) For the purpose of this section, "bicycle" shall include motor assisted bicycle.
- (2) (a) No person shall ride a bicycle on a roadway unless the bicycle is in a bicycle lane or is ridden as close as practicable to the right hand curb or edge of the roadway, except while overtaking and passing another vehicle proceeding in the same direction, or while preparing for a left turn at an intersection or into a private road or driveway.
- (b) No person shall ride or push a bicycle along a roadway abreast of another bicycle.
- (3) No person riding a bicycle on a roadway shall carry any package or article or act in such a way as to prevent that person from maintaining one hand on the handlebars at all times, including while signalling for a turn or stop and in any case, no person shall fail to maintain control of a bicycle.
- (4) No person shall park a bicycle on a roadway or sidewalk except in such a way as to cause the least possible obstruction to pedestrian and vehicular traffic.

BICYCLE LANES

- 47. (1) Those lanes upon highways or part highways listed in Schedule 18 are hereby designated as bicycle lanes.
- (2) For the purpose of this Section, "bicycle lane" means a portion of the roadway abutting the curb or edge of the roadway that has been set aside for the exclusive use of cyclists, and so indicated by pavement markings.
- (3) Schedule 18 describes the following:
 - (a) in column one thereof, the name of the highway or part highway upon which a designated bicycle lane has been established;
 - (b) in column two thereof, the point where the bicycle lane commences and the point where the bicycle lane concludes;

- (c) in column three thereof, the lane, by compass direction, upon the subject highway that has been designated as the bicycle lane;
 - (d) in column four thereof, the periods during which the bicycle lane designation is in force and effect; and,
 - (e) in column five thereof, the direction that vehicles must travel when using the bicycle lane, by compass direction.
- (4) Those highways or parts of highways, or other land under jurisdiction of the City, listed in Schedule 19 are hereby established, laid out and designated as bicycle paths.
- (5) For the purpose of this Section, "bicycle path" means land that is off the roadway that has been set aside and improved for the exclusive use of cyclists.
- (6) Schedule 19 describes the following:
 - a) in Column 1 thereof, the name of the highway whereupon the bicycle path is situated or the name of the highway immediately adjacent to the bicycle path or, otherwise, a description of the lands upon which said bicycle path is situate;
 - b) in Column 2 thereof, the side of the highway, by compass direction, occupied by the bicycle path, or the direction, by compass, from the adjacent roadway where the bicycle path is established or the location of the bicycle path with relation to an existing land mark;
 - c) in Column 3 thereof, the limits to which and from which the bicycle path extends; and
 - d) in Column 4 thereof, in cases of unidirectional paths, the lawful direction of travel, by compass direction, upon the bicycle path.
- (7) Those highways or parts of highways, or other land under jurisdiction of the City, listed in Schedule 20 are hereby established, laid out and designated as combined foot and bicycle paths.
- (8) For the purpose of this Section, "combined foot bicycle path" means land that is off the roadway that has been set aside and improved for the exclusive use of pedestrians and cyclists.
- (9) Schedule 20 describes the following:

- a) in Column 1 thereof, the name of the highway whereupon the combined foot and bicycle path is situate or the name of the highway immediately adjacent to the combined foot and bicycle path or, otherwise, a description of the lands upon which said combined foot and bicycle path is situate;
- b) in Column 2 thereof, the side of the highway, by compass direction, occupied by the combined foot and bicycle path, or the direction, by compass, from the adjacent roadway where the combined foot and bicycle path is established or the location of the combined foot and bicycle path with relation to an existing land mark;
- c) in Column 3 thereof, the limits to which and from which the combined foot and bicycle path extends; and
- d) in Column 4 thereof, in cases of unidirectional paths, the lawful direction of travel, by compass direction, upon the combined foot and bicycle path.

48. (1) No person shall drive a Motor Vehicle, except for Authorized Emergency Vehicles and motor assisted bicycles, upon any bicycle lane designated in Schedule 18, or upon any bicycle path designated in Schedule 19 or combined foot and bicycle path designated in Schedule 20.
- (2) Subject to subsection (3), no person shall travel upon a bicycle path or a combined foot and bicycle path, except to the right side of the centre of the path.
- (3) No person shall overtake and pass another person on a bicycle path or a combined foot and bicycle path except:
- (a) when it is safe to do so;
 - (b) to the left hand side of the person being overtaken and passed;
 - (c) on the right side of the centre of the path but if it is not safe to do so, then on the left side of the centre of the path; and
 - (d) when a cyclist is overtaking and passing another person, subsequent to the sounding of an audible signal or warning by the cyclist.
49. (1) No person, while travelling upon a designated bicycle path, or a designated combined foot and bicycle path, shall cross an intersecting public roadway or public sidewalk without stopping and yielding the right of way to vehicular or pedestrian traffic travelling upon the intersection roadway or sidewalk,

except at such intersections as are listed in Schedule 21 as being specifically exempt from this general provision.

(2) Schedule 21 describes the following:

- (a) in column one thereof, the name of the roadway occupied by the combined foot and bicycle path, or the name of the roadway immediately adjacent to the combined foot and bicycle path;
- (b) in column two thereof, the direction of travel, by compass direction, upon the combined foot and bicycle path; and,
- (c) in column three thereof, the name of the intersecting roadway over which the combined foot and bicycle path has the right of way.

50. (1) No person, while travelling upon a designated bicycle path or a designated combined foot and bicycle path, shall fail to stop and yield the right of way to vehicular or pedestrian traffic travelling upon any intersecting route of travel, other than a public roadway or sidewalk listed in Schedule 22.

(2) Schedule 22 describes the following:

- (a) in column one thereof, the name of the roadway occupied by the combined foot and bicycle path, or the name of the roadway immediately adjacent to the combined foot and bicycle path;
- (b) in column two thereof, the direction of travel, by compass direction, upon the combined foot and bicycle path which is required to stop and yield; and,
- (c) in column three thereof, a description of the intersecting route of travel.

51. (1) No person, while travelling upon a designated bicycle path listed in Schedule 19 or a designated combined foot and bicycle path listed in Schedule 20 shall fail to yield the right of way to vehicular or pedestrian traffic travelling upon any intersecting route of travel, other than a public roadway or sidewalk listed in Schedule 23.

(2) Schedule 23 describes the following:

- (a) in column one thereof, the location of the bicycle path or the combined foot and bicycle path;

- (b) in column two thereof, the direction of travel, by compass direction, upon the bicycle path or combined foot and bicycle path which is required to yield; and
 - (c) in column three thereof, a description of the intersecting route of travel.
- 52. No pedestrian shall travel upon a designated bicycle path or within a designated bicycle lane where an adjacent sidewalk exists.
- 53. (1) Notwithstanding any other provisions this By-law, no person shall ride a bicycle upon, along or across any highway or part of a highway described in Schedule 26.
- (2) Schedule 26 describes the following:
 - (a) in column one thereof, the municipal name of the highway or part of a highway where cyclists are prohibited;
 - (b) in column two thereof, the point at which the prohibition commences; and,
 - (c) in column three thereof, the point at which the prohibition concludes.

ANIMALS

- 54. (1) Save as otherwise permitted by law, no owner or other person shall drive or permit any horse, cow, sheep, pig, or other animal to be in any highway or other public place unless under proper control of a competent person.
- (2) Horseback riders and other persons in charge of animals shall obey the provisions of the Highway Traffic Act and of this By-law which govern drivers of vehicles, and shall obey the directions of any police constable directing traffic.
- (3) No person shall drive any animal without due care and attention or without reasonable consideration for other persons using the highway.

PART 5 - LOAD RELATED RESTRICTIONS

OVERSIZED LOAD PERMITS

- 55. (1) For the purposes of this section,

- (a) A combination of vehicles consisting of a motor vehicle and semi-trailer shall be deemed to be one vehicle; and
 - (b) "Semi-Trailer" means any trailer that is so designed that, when operated, the forward part of its body or chassis rests upon the body or chassis of the towing vehicle.
- (2) Subject to the provisions of Sections 57 and 58 and notwithstanding the provisions of Section 56, any vehicle, load, object or structure in excess of the weight or dimensions prescribed by the Highway Traffic Act may be moved over or upon a highway upon wheels, rollers, or otherwise, in accordance with a permit in writing which has been first obtained from the General Manager of Transportation, Operations and Environment which shall specify the excess weight or dimensions to be permitted, the highways and parts of highways to be so used, and the days and times when they may be so used.
- (3) No such permit shall be issued by the General Manager of Transportation, Operations and Environment except to a person who has filed with the City Clerk a bond or irrevocable letter of credit in a form satisfactory to the General Manager and in an amount sufficient to cover the cost of repairing possible injury to the highway, as determined by the General Manager, and indemnifying the City of Hamilton from all actions, claims, damages, and losses, costs and expenses whatsoever which may result from the moving of any such vehicle, load, object or structure into, along or across a highway, and from the issue of the permit.
- (4) Every such permit shall be carried by the person in charge of any such vehicle, load, object or structure while same is on the highway, or be placed in some accessible position and produced on demand of a police officer.
- (5) No person shall move upon any highway, a load in excess of the weight or dimensions specified in the permit or at any time not authorized by such permit, nor shall any load in excess of the weight or dimensions prescribed by the Highway Traffic Act be moved upon any highway or part of a highway not authorized by the permit.
- (6) Where the application for a permit is with respect to a motor vehicle or trailer, no permit shall be issued, nor the application received, unless:
 - (a) There is, with respect to the same, a provincial licence for the vehicle and a current permit setting out the maximum weight or size of the vehicle, as the case may be, pursuant to the provisions of the Highway Traffic Act;

PHILOSOPHY 104

- (b) The unit weight per inch of tire width within the meaning of the Highway Traffic Act is within the limits prescribed by the Highway Traffic Act.
- (7)
 - (a) Upon receipt of an application, the General Manager of Transportation, Operations and Environment may issue a permit to the applicant for the moving of an overweight truck or trailer over or along specified highways or parts of highways, on specified days and within specified hours (all of which, together with the authorized overweight shall be shown on the permit) for a calendar year, or part thereof provided:
 - (i) That payment has been made to the General Manger of Finance and Corporate Services of an administrative fee of \$47.00 for a single unit truck, and an additional fee in the sum of \$234.00 for each tonne in excess of the registered gross weight of the truck, and, in the case of a tractor trailer an administrative fee of \$49.00, and an additional fee of \$140.00 for each tonne in excess of the registered gross weight of the tractor trailer.
 - (b) Where the General Manager of Transportation, Operations and Environment proposes to deny an application for an annual permit under subsection (a) herein, the application must first be considered by the Council of The City of Hamilton.
- (8) The owner, driver, operator or mover of any such vehicle, object or contrivance who has obtained the permit is nevertheless responsible for all damages that may be caused to the highway by reason of the driving, operating or moving of any such vehicle, object or contrivance, and the City may claim or call upon the bond or letter of credit without notice to the permit holder in the event of such damage.

HEAVY TRAFFIC

- 56.
 - (1) For the purpose of this section "heavy traffic" means and includes any vehicle or trailer for which the permit fee under the Highway Traffic Act is based upon a weight of vehicle and load in excess of 4 tonnes, excepting however buses, fire fighting equipment, public utility vehicles and authorized emergency vehicles; and
 - (2) No person shall drive or permit to be driven any vehicle included in the definition of heavy traffic on any highway except a highway listed in Schedule 27 hereof and except during the times shown in the said Schedule 27,

provided that this provision shall not apply to any vehicle operating under the authority of a permit issued pursuant to Section 55.

- (3) Section 56(2) shall not apply where it is necessary to deviate from one of the highways designated in Schedule 27 for the purpose of delivering or receiving goods or other such normal commercial purpose, or when proceeding to or from a garage or other premises for the housing or repair of the vehicle, or when making successive deliveries within a restricted area provided that while proceeding to the first of such deliveries the vehicle shall travel via the shortest route from the highway listed in Schedule 27 that is closest to their point of destination within the restricted area, and provided that upon the completion of such purposes the vehicle shall return, by the shortest route, to the nearest highway listed in Schedule 27.
- (4) Section 56(2) shall not apply to heavy traffic on any highway or part of highway which has been properly authorized as a temporary detour route.
- (5)
 - (a) No person shall drive any vehicle included in the definition of heavy traffic on any highway set out in Column 1 of Schedule 30 between the limits set out in Column 2 when proceeding in the direction set out in Column 3 except in the traffic lane nearest to the right hand curb.
 - (b) Clause (a) of Section 56(5) shall not apply to prohibit the driving of any vehicle in a traffic lane other than the lane nearest to the right hand curb in preparation for a left turn or when overtaking and passing another vehicle or an obstruction.
- (6) Section 56(2) shall not apply to:
 - (a) vehicles operated by or on behalf of Braun Nursery Limited, Federal Express, Normalean Farms, Oakrun Farm Bakery or United Parcel Service, or Canadian Airlines International, Purolator Courier/Kelowna Flightcraft or Emery Worldwide/First Air, or Harmac Transportation Inc. or Roy Curran Transport Limited while upon Fiddlers Green Road, Butter Road or Airport Road; and,
 - (b) vehicles operated by or on behalf of Elwood Laidman Plumbing & Heating Ltd., O'Neil's Farm Equipment, Harvey Armstrong Feeds Ltd., Glanborough Pumping, Johnston Pumping Service, Anderson Haulage, Armishaw Bobcat Services, Greenhorizons Group of Farms, John Vanderwoude Sod Farms Ltd., John Wynen Water Haulage, Warren Pearce Water Haulage, Wills Motors Limited, Bob Lillie Water Haulage, Bart Chaston Water Haulage, Robert Dawson Transport (Water Haulage), Barlow Farms, R.R. #1, York, Mattice Farms, R.R. #1 York, Misener Farms, Doug Turner Construction, Brian Griffith,

Scott Young, Gary Comley, Gord Milmine, Lyle McDougal, Bethune Farms, Shousten Sod Farms, Country Depot, Hannon, DeJong Farming, A.&J. Enterprises, Normalean Farms Ltd., Willard Wad, 2548 Binbrook Road, and A. Lindie Sod Farms, while upon Binbrook Road or Whitechurch Road between Highway No. 6 and Regional Road 56.

WEIGHT ON CERTAIN BRIDGES

57. (1) No person shall drive, on any bridge listed in Schedule 29, any vehicle having a gross weight greater than that indicated for such bridge in said Schedule, provided that suitable signs are erected and maintained.
- (2) Schedule 29 describes the following:
- (a) in column one thereof the bridge by street name and, if applicable, type of bridge;
 - (b) in column two thereof the name of the thing that the subject bridge crosses over; and,
 - (c) in column three thereof Maximum weight permitted on the subject bridge.

REDUCED LOAD PERIOD

58. Those highways or parts of highways indicated in Column 1 of Schedule 28, are hereby designated as highways to which the restrictions of Section 122 of the Highway Traffic Act, R.S.O. 1990, c. H.8 apply, commencing on the date indicated in Column 2 of the said Schedule and ending on the date indicated in Column 3 thereof in each calendar year provided that suitable signs are erected and maintained.

PART 6 - TRAFFIC CONTROL DEVICES

POLICE "NO PARKING" AND "NO STOPPING" SIGNS

59. (1) In the exercise of the power to direct traffic, a Police Officer may erect or cause to be erected "No Parking" and "No Stopping" signs in such places and for such temporary periods as may be reasonably necessary or advisable.
- (2) Subject to Section 60 no unauthorized person may erect, install, place or otherwise use a "No Parking" or a "No Stopping" sign which is, or which appears to be, a Police "No Parking" or "No Stopping" sign.

SIGNS AND TRAFFIC CONTROL DEVICES

60. (1) The General Manager may erect and maintain or cause to be erected and maintained all traffic signs and other traffic control devices as may be required or authorized by statute or by this By-law, or otherwise as may, in his or her opinion, be necessary or helpful.
- (2) Without limiting the generality of the foregoing, the General Manager is further authorized to erect or cause to be erected "No Parking" and "No Stopping" signs in such places and for such temporary periods as may be, in his opinion, reasonably necessary or advisable.
- (3) Notwithstanding Section 62(5), the General Manager is authorized to temporarily remove or cause to be removed or otherwise annul such traffic signs and other traffic control devices as may be necessary to accommodate the interests of the City.
- (4) Without limiting the generality of the foregoing, the General Manager is further authorized to remove or cause to be removed "No Parking" and "No Stopping" signs in such places and for such temporary periods as may be, in his opinion, reasonably necessary or advisable.

OFFICIAL SIGNS

61. (1) Where under the Highway Traffic Act or this By-law an official sign is required to be erected and no official sign for the purpose has been designated under the Highway Traffic Act or the regulations made thereunder, each such sign shall correspond with one of the illustrations in Schedule 1, notwithstanding that a sign illustrated is identical with an official sign that has been designated.
- (2) Every sign illustrated in Schedule 1 may be varied by supplementary information as may be necessary or appropriate to indicate the conditions under which the sign applies including the following and any combination thereof:
- (a) time or times of the day;
 - (b) day or days of the week;
 - (c) month or months of the year;
 - (d) use by specific types or classes of vehicles;

- (e) number of hours or minutes;
- (f) directional symbols;
- (g) length or weight of vehicle or vehicle combination; and,
- (h) any other information that serves to indicate conditions under which the sign applies.

UNLAWFUL SIGNS

62. (1) No person, unless so authorized by this By-law, shall place, maintain or display upon or in view of any highway any sign, marking or device which is or which resembles an official sign or traffic control device, to such a degree that it may be mistaken for an official sign or traffic control device, or which is so located as to interfere with the effectiveness of an official sign or traffic control device.
- (2) No person shall place, maintain or display upon or in view of any highway any sign, advertising device or apparatus which in any way emits:
- (a) Intermittent or non-intermittent light;
 - (b) An intensity of light;
 - (c) A beam of light; or,
 - (d) which displays any manner of animated message;
- on, along, towards or across any highway, which interferes or is designed or placed to so interfere with the safe operation of a motor vehicle, or to take the attention of a driver away from the operation of the vehicle.
- (3) Every sign, advertising device, or other device referred to in Section 62(2) shall be removed within 7 days of a request, or such earlier period as may be specified for removal, by the General Manager of Transportation, Operations and Environment or a member of the Police Force.
- (4) For the purpose of Sections 62(2) and 62(3) a "sign, advertising device, or other device or apparatus" includes a signalling device that indicates the location of the sign, advertising device, marking or other device or apparatus to a driver or operator of a motor vehicle on the Highway.
- (5) No person shall without lawful authority move from its proper position or otherwise interfere with any traffic sign or other traffic control device.

PAINTED PAVEMENT MARKINGS

63. No person shall drive any vehicle over any painted markings that have been freshly applied, nor shall any person drive over, through or around any marker, traffic cone, sign or other device, if any, so placed as to warn of freshly applied painted markings.

COMPLY WITH SIGNS AND DEVICES

64. Save as may be otherwise more specifically provided in this By-law or the Highway Traffic Act, R.S.O. 1990 c. H.8, it shall be an offence against the provisions of this By-law for any person to fail to comply with the directions of any official traffic sign or traffic control device regulating traffic on a highway.

PART 8 - OFFENCES AND PENALTIES

OFFENCES PUNISHABLE BY THE HIGHWAY TRAFFIC ACT

65. Any person who contravenes any of the provisions of this By-law for which a penalty is provided by the Highway Traffic Act, R.S.O. 1990 c. H.8, is subject to the penalties provided therefore in the Highway Traffic Act.

OFFENCES PUNISHABLE BY THE MOTORIZED SNOW VEHICLES ACT

66. Any person who contravenes any of the provisions of this By-law for which a penalty is provided by the Motorized Snow Vehicles Act, R.S.O. 1990, c. M.44, is subject to the penalties provided therefore in the Motorized Snow Vehicles Act.

OFFENCE AND PENALTIES

67. Any person who violates any provision of this By-law to which sections 66 and 67 do not apply, is guilty of an offence and is liable to such penalties as are provided for by the Provincial Offences Act, R.S.O. 1990, c.P.8, as amended.

PART 10 - REPEALS AND ENACTMENT

68. (1) By-law 82-23 of the Corporation of the Town of Ancaster, passed and enacted on the 8th day of March, 1982; By-law 89-60 of the Corporation of the Town of Ancaster, passed and enacted on the 24th day of April, 1989; By-law 79-101 of the Corporation of the Town of Ancaster, passed and enacted on the 10th day of October, 1979; By-law 542-97 of the Corporation of the Township of Glanbrook, passed and enacted on the 17th day of February 1997; By-law 486-93 of the Corporation of the Township of Glanbrook, passed and enacted on the 16th day of August, 1993; By-law

CITY OF HAMILTON

BY-LAW NO. 01- 216

**RESPECTING THE CONSTRUCTION, MAINTENANCE, OPERATION,
MANAGEMENT AND REGULATION OF MUNICIPAL PARKING FACILITIES**

WHEREAS Sub-section 56 of Section 207 of the Municipal Act, R.S.O. 1990, Chapter M.45, as amended, confers upon the councils of all municipalities the authority to acquire, establish, lay out and improve land, buildings, and structures where vehicles may be parked, and for erecting buildings or structures for, or in connection with, the parking of vehicles;

AND WHEREAS Sub-section 56 of Section 207 of the Municipal Act, as amended, further provides for the regulation, supervision and governing of the parking of vehicles on land so acquired, established, laid out and improved;

AND WHEREAS Sub-Section 57 of Section 207 of the Municipal Act, as amended, provides for the assumption, by the municipality, of the undertakings, documents, assets and liabilities of the parking authority which has ceased to exist subsequent to the repeal of the by-law establishing the said parking authority;

AND WHEREAS Paragraph (6) of Section 191 of the Municipal Act, as amended, confers upon the councils of every corporation the authority to pass by-laws providing for the use by the public of lands of which the corporation is the owner and for the regulation of such use and the protection of such lands;

AND WHEREAS the City of Hamilton Act, 1999, S.O. 1999 Chapter 14, Schedule C did incorporate, as of January 1st, 2001, the municipality "City of Hamilton";

2. (1) The provisions of this By-law shall apply to all municipal car parks under the jurisdiction of Parking Operations.
- (2) Provisions requiring payment of parking fees and prohibitions against using parking spaces in a metered car park while no "paid for" and unexpired period of time is indicated on the adjacent parking meter or other device, shall apply only on those days and during such periods of time as are indicated on the meter or on signs erected in the car park.

ENFORCEMENT

3. It shall be the duty of the Police Officers of the Hamilton Police Service and those duly appointed Municipal Law Enforcement Officers generally to enforce the provisions of this By-law.

SIGNS AND TRAFFIC CONTROL DEVICES

4. (1) It shall be the duty of the Manager to cause to be erected and maintained all parking meters and such other devices to regulate parking, and all signs and other traffic control devices required or authorized by this By-law, or as may be deemed by the Manager to be desirable, as such may be required from time to time to regulate the use of any car park in the interests of the City, to provide appropriate instruction to the public respecting the use of the car park and to warn or guide traffic on any car park for the safety or convenience of the public.
- (2) It shall be the duty of the Manager to close or cause to be closed, temporarily, any car park or any parking space or spaces within a car park for such purposes as may be in the interests of the City, including but not limited to repairs to or reconstruction of a car park or an area therein.

LIABILITY FOR LOSS OF DAMAGE

5. The Manager shall cause suitable signs to be erected and maintained in prominent positions in all car parks, giving notice that the parking fees are for the use of parking spaces only and the City is not responsible for loss or damage of any kind whatsoever to any vehicle or contents, however caused.

FEES AND PERMITS

6. (1) The Manager may from time to time establish, at his discretion, such fees or charges, as may be deemed necessary, appropriate and consistent with sound business practices, for the use of any car park or any space or area within a car park.
- (2) Any person utilizing a car park under the jurisdiction of Parking Operations shall pay such fees or charges as are established by the Manager.
- (3) Notwithstanding subsection (1), the Manager reserves the right to waive or modify any fees or charges which may be applicable to the use of any car park if such waiver or modification is in the best interests of the City.

- (4) The Manager may cause to be issued monthly parking permits authorising the use of a parking space within a car park, for the sole purpose of vehicular parking and the parking fees or charges for the use of said permit shall be paid to the City in advance.
- (5) The Manager may cause to be issued, for any purpose, a permit exempting the permit holder from one or more of the regulations governing a car park and the fees or charges, if any, for the use of said permit shall be paid to the City at such time as is satisfactory to the Manager.
- (6) Such permits as are issued under sub-sections (4) and (5) remain the property of the City and may be revoked, recalled, or declared invalid and not in force or effect, at any time and without notice, by the Manager.

HOURS OF OPERATION

7. The Manager may from time to time establish, at his discretion, such hours of operation, as may be deemed necessary, appropriate and consistent with sound business practices, for the use of any car park or any space or area within a car park.

Hours of operation includes; those hours during the day when the payment of parking fees is required and those hours during the day when parking may be permitted without the payment of parking fees being required but, excludes those hours of the day when parking may be prohibited.

GENERAL PROHIBITIONS

8. (1) Except as provided in sub-section (2), no person shall, in any car park where parking meters or such other devices as are installed to regulate parking on the basis of elapsed time;
 - (a) park or stop any vehicle without depositing the parking fees in the adjacent parking meter and, after the deposit of each coin, turning the handle, if any, to an extent whereby the meter registers and displays the time paid for;
 - (b) Park at any parking space, any vehicle, at any time when no "paid for" and unexpired period of time is indicated on the adjacent meter, save and except where it is shown that the parking meter is out of order or has been removed;

- (c) park or stop any vehicle in any area of any car park where pre-paid ticket machines have been provided without first purchasing a ticket by depositing coins in accordance with the prescribed parking fees and displaying the ticket in the windshield on the driver's side of the vehicle in full and clear view from the exterior of the vehicle;
 - (d) park or stop any vehicle in any area of any car park where receptacles have been provided for the pre-payment of parking fees without first depositing therein the prescribed parking fees;
 - (e) deposit in any parking meter, pre-paid ticket machine, or parking fee receptacle, anything save nickels, dimes, quarters, dollar coins, or two dollar coins; or,
 - (f) open or attempt to open a parking meter, pre-paid ticket machine, or parking fee receptacle, unless authorized to do so.
- (2) A vehicle may be parked, or stopped, in a car park without depositing a coin or coins in an adjacent parking meter, pre-paid ticket machine or receptacle provided for the pre-payment of parking fees:
- (a) for a period of time, if any, which is paid for and unexpired as shown on the adjacent parking meter;
 - (b) where there is displayed in or upon the vehicle a valid permit issued by the Parking Operations Section for use on the car park on which the vehicle is parked;
 - (c) where a parking meter, pre-paid ticket machine, or such other device as has been installed for the acceptance of the payment of parking fees has been activated, and the prescribed fees paid, by the use of a valid credit card, debit card, or smart card, in those lots where such devices accepting payment by such methods have been approved by Parking Operations; or,
 - (d) where there is displayed in or upon the vehicle a Disabled Person Parking Permit, issued by the Ministry of Transportation Ontario, clearly identifying the vehicle as being operated by, in the service of, or on behalf of, a physically disabled person.

PARKING PROHIBITIONS

9. No person shall in any car park;

- (1) Park any vehicle in any area of any car park where signs have been erected prohibiting parking;

- (2) Park any vehicle except at a designated parking space and in conformity with signs and markings;
- (3) Park any vehicle in any parking space or parking area that is temporarily closed;
- (4) Park or leave parked any vehicle on any car park between the hours of 2:00 a.m. and 7:00 a.m., save and except that this provision shall not apply to a vehicle in or upon which a valid permit exempting said vehicle from this provision is displayed;
- (5) Park or stop any vehicle in any parking space or area in any car park where signs have been erected reserving such space or area for use by specific vehicles or persons;
- (6) Park or stop any vehicle in any parking space designated as a parking space reserved for vehicles displaying a Ministry of Transportation Ontario Disable Person Parking Permit;
- (7) Park or stop any vehicle other than an ordinary passenger automobile, a motor cycle, or a commercial motor vehicle of a registered gross vehicle weight of not more than 2.5 metric tonnes, save and except that this prohibition shall not apply to a snow plough, bus or other vehicle which is present by authority of Parking Operations;
- (8) Park or allow a vehicle to stand unattended, unless it is locked in such a manner as to prevent its operation by any person not authorized by the owner;

STOPPING PROHIBITIONS

10. No person shall in any car park;

- (i) Stop any vehicle in any area of any car park where signs have been erected prohibiting stopping;
- (j) Stop any vehicle in such a manner as to interfere with the lawful use of any parking space within the car park;
- (k) Stop any vehicle in such a manner as to obstruct a lane way or travelled portion of the car park, whether in part or in whole;

- (l) Drive any vehicle other than an ordinary passenger automobile, a motor cycle, or a commercial motor vehicle of a registered gross vehicle weight of not more than 2.5 metric tonnes, save and except that this prohibition shall not apply to a snow plough, bus or other vehicle which is present by authority of Parking Operations;

MISCELLANEOUS PROHIBITIONS

11. No person shall in any car park;

- (1) Drive any vehicle at a rate of speed greater than is consistent with the safety of persons and property in the vicinity, having regard to all the circumstances, or in any event at a rate of speed greater than ten kilometres per hour;
- (2) Drive any vehicle without due care or attention or without reasonable consideration for other persons in the car park;
- (3) Damage, deface or interfere with any equipment or other property of the municipality;
- (4) Throw or deposit or cause to be thrown or deposited any glass, nails, tacks or scraps of metal, or any rubbish, refuse, waste or litter;
- (5) Loiter, or in any way interfere with the lawful use of the car park by any other person;
- (6) Fail to pay the parking fees when due;
- (7) Play or take part in any game or sport, or ride in or upon any skateboard, coaster, skis, toy vehicle, roller-skates, roller blades, or similar devices.
- (8) Place, erect, install, maintain, display, or store, or cause to be placed, erected, installed, maintained, displayed, or stored, any sign, marking, device, apparatus or thing without the authorization of the Manager;
- (9) Wash down, or except in an emergency, perform any automotive services or repairs on a vehicle.

12. Without limiting the generality of Section 11(4), no person shall injure, encumber, obstruct or foul, any car park, or any area or space within or upon a car park by placing, storing, discarding, or leaving in any manner, or by causing to be placed, stored, discarded or left in any manner, any object, material, item, debris, substance or thing in or upon the car park, or in or upon any area or space within

the car park.

13. Every person in any car park shall comply with the instructions of an attendant in charge of the car park, or any Officer.

VOLUNTARY PAYMENT OF PENALTIES OUT OF COURT - TAGS

14. (1) Upon the alleged contravention of any provision of this By-law respecting parking or stopping, an Officer observing the same may affix to the vehicle, or otherwise issue to the person having care and control of the vehicle a Parking Infraction Notice bearing the licence number and a general description of the vehicle, and specifying the alleged contravention.
- (2) Any person, upon presentation of the Parking Infraction Notice to the General Manager, within seven days of the date of the tag, may pay an early payment penalty out of court with respect to the offence cited in an amount consistent with an order issued by the Regional Chief Justice respecting this By-law.
- (3) Where a tag is not paid within seven days in accordance with sub-section (2), Section 18 shall apply.
- (4) Where a vehicle is left stopped or parked in contravention of any regulation under this By-law, it shall be deemed a separate offence upon the elapse of each subsequent four (4) hour period from the issue of the first and each subsequent Parking Infraction Notice.

AUTHORITY TO REMOVE FROM A CAR PARK

15. (1) Upon the discovery of any vehicle parked or left in contravention of this By-law, an Officer may cause the vehicle to be moved or taken to and placed or stored in a suitable place, and all costs and charges for the removal and storage of the vehicle are a lien upon the vehicle under the provisions of the Repair and Storage Liens Act, R.S.O. 1990, c. R.25, as amended.
- (2) Upon the discovery of any sign, device, apparatus or thing placed, erected, installed, maintained, displayed, or stored, in or upon any car park, without the authorization of the Manager, an Officer may cause the sign, device, apparatus or thing to be removed from the car park and may cause it to be taken to and placed or stored in a suitable place or may cause it to be taken and destroyed or otherwise disposed of, and all costs and charges for the removal and storage or removal and disposal, of the sign, device, apparatus or thing may, at the sole discretion of the Manager, be recovered from its owner either by action or in the same manner as municipal taxes.

20. This By-law shall come into force and effect upon the date of issue of an order by the Regional Senior Justice establishing set fines for this By-law.

PASSED and enacted this 18th day of September, 2001.

Deputy Mayor

City Clerk

City of Hamilton

By-law No. 01-217

To Establish and Regulate Fire Routes

WHEREAS Council deems it necessary to provide for the establishment of fire routes along private roadways, for fire and other emergency vehicle access to private property in the event of fire or emergency, which process includes the designation of fire officials to issue orders to property owners and others to provide fire routes;

AND WHEREAS the City of Hamilton Act, 1999, Statutes of Ontario, 1999 Chap.14, Sch. C. did incorporate, as of January 1st, 2001, the municipality "City of Hamilton";

AND WHEREAS the City of Hamilton is the successor to the following former area municipalities: The Corporation of the Town of Ancaster; The Corporation of the Town of Dundas; The Corporation of the Town of Flamborough; The Corporation of the Township of Glanbrook; The Corporation of the City of Hamilton; and, The Corporation of the City of Stoney Creek; (hereinafter referred to as the "former area municipalities");

AND WHEREAS the City of Hamilton Act, 1999 provides that the By-laws of the former area municipalities continue in force in the City of Hamilton until subsequently amended or repealed by the Council of the City of Hamilton;

AND WHEREAS Section 210 (49) of the Municipal Act, R.S.O. 1990, Chapter M.45, provides that by-laws may be passed by local municipalities for making such other regulations for preventing fires and the spread of fires as the council considers necessary;

AND WHEREAS Section 210 (52) of the Municipal Act provides that by-laws may be passed by local municipalities for designating private roadways as fire routes along which no parking of vehicles shall be permitted and providing for the removal and impounding of any vehicle or vehicles parked or left along any fire route so designated at the expense of the owner thereof;

AND WHEREAS the Council of the City of Hamilton deems it expedient to provide for a single by-law for the designation of new fire routes, while recognising previously designated routes in those former area municipalities;

NOW THEREFORE the Council of the City of Hamilton enacts as follows:
DEFINITIONS

1. In this by-law,

- (a) "authorized emergency vehicle" means fire vehicles and equipment, police vehicles, and ambulances or cardiac arrest emergency vehicles which are operated by or under the authority of a hospital while either responding to an emergency call or being used to transport a patient or injured person in an emergency situation;

ENFORCEMENT

2. The following persons are deemed to be appointed to enforce this by-law:

- (a) persons employed or appointed as a Municipal Law Enforcement Officer for the City of Hamilton;
- (b) police officers; and,
- (c) the Fire Chief.

EXCEPTION FOR EMERGENCY AND MUNICIPAL VEHICLES

3. This by-law does not apply to prohibit the use or occupation of a fire route by an authorized emergency vehicle, or by a vehicle owned or operated on behalf of the City of Hamilton while by-law enforcement services are being carried out by the driver or occupant, nor to require the owner of the property or driver of the vehicle in such circumstances to take any steps to remove the vehicle.

DESIGNATION AND ESTABLISHMENT OF FIRE ROUTES

4.
 - (1) The Fire Chief may designate a fire route or routes on private roadways, or on municipal property, where fire access is required under the Building Code, Fire Code or where otherwise in the Fire Chief's opinion and experience the route is necessary for access to a building or other structure on the property in the event of fire or other emergency.
 - (2) The route chosen in Section 4(1) shall be in accordance with the Building Code or Fire Code as may be applicable, or otherwise be a minimum of 3.66 metres [12 ft.] in width, with sufficient and reasonable clearance for turning of fire vehicles, and their entry to and exit from the property.
 - (3) Once the Fire Chief has chosen a fire route for a particular property, an order requiring the provision of the fire route shall be sent to the property owner by such method as is satisfactory to the Fire Chief.
 - (4) Upon the order in Section 4(3) being sent, the route shall be deemed a designated fire route.
 - (5) The order in Section 4(3) to the property owner may describe the location of the fire route or provide a diagram with measurements indicating the location of the route, and will provide a time period for posting signs.
 - (6) A copy of order in Section 4(3) shall be forwarded to the Manager of Parking and Enforcement Operations for the City.
5. The property owner to whom an order has been issued shall comply with the order within the time specified, and in particular provide the required fire route and place the required authorized signs.

PREVIOUSLY ESTABLISHED FIRE ROUTES

6.
 - (1) Subject to Section 6(2), where a route for fire access has been approved under a by-law of a former area municipality and the access and authorized signs are maintained for use, such approved route for fire access is deemed to be a fire route under this by-law.
 - (2) Where the Fire Chief deems it necessary to provide fire access to the property or to clarify any issue or dispute over the extent or existence of the previous access route including signage or location, the Fire Chief may designate a new fire route in place of the existing access route in Section 6(1) by following the process provided in this by-law.
 - (3) A fire route under Section 6(1) shall be maintained by the property owner in accordance with this by-law, and in particular signed with legible authorized signs and maintained free of obstructions and encumbrances, all at the expense of the owner.

MAINTENANCE AND REPAIR

7. No person shall erect and maintain authorized signs, or signs which appear to be, or which may be confused for authorized signs indicating a fire route at any location not approved by the Fire Chief.
8.
 - (1) No person shall move or remove, or permit to be moved or removed, a required authorized sign without the approval of the Fire Chief.
 - (2) No person shall change the content, injure or obstruct, or permit the changing of the content, injury to or the obstruction of, any required authorized sign.
9. A fire route shall be established and maintained by the property owner fully free of obstruction or encumbrance, with legible authorized signs in full view of traffic within the route, all at the expense of the owner.
10. No person shall obstruct or encumber a fire route or cause or permit a fire route to be obstructed or encumbered.

PARKING AND STOPPING

11. No person shall park a vehicle on a fire route where signs have been erected and maintained which prohibit parking.
12. No person shall stop a vehicle on a fire route where signs have been erected and maintained which prohibit stopping.
13. An officer, upon discovery of a vehicle parked or standing in contravention of this by-law, may in addition to issuing a parking infraction notice to the owner or driver, cause the vehicle to be moved or taken to and placed or stored in a suitable place at the expense of the vehicle owner.
14. All costs and charges for removing, care and storage of the vehicle, if any, are a lien upon the vehicle, under the provisions of the Repair and Storage Liens Act, R.S.O. 1990, c.R.25, as amended.
15.
 - (1) Every person who contravenes any provision of this by-law is guilty of an offence and upon conviction is liable to such penalty as may be provided for under the Provincial Offences Act, R.S.O. 1990, c.P.33, as amended.
 - (2) The owner of a vehicle that is parked, stopped or left standing in contravention of this by-law is guilty of an offence and upon conviction is liable to such penalty as is provided for under (1) for the offence, unless the owner proves to the satisfaction of the court that at the time of the offence the motor vehicle was in the possession of another person without the owner's consent.

16. Any person upon presentation of the parking infraction notice for payment may pay out of court, within seven days of the date of the issuance of the notice, the reduced penalty in respect of a vehicle parked or stopped in the amount as has been ordered by the Regional Chief Justice.
17. Where a property owner fails to establish or maintain a fire route as required under this by-law, or fails to do so in accordance with the requirements of the Fire Chief, the Fire Chief or the Chief Fire Prevention Officer, may cause the matters or things to be done in a satisfactory manner at the expense of the property owner and the City shall recover the expense incurred in doing it in a like manner as municipal taxes.
18. Every reference to By-laws 77-44, 3217-80, 80-52-F, 517-95, 89-73, 75-168, or 4875-99 on a sign required or permitted for use under this by-law shall be deemed a reference to this By-law.
19.
 - (1) By-law No. 77-44 (Ancaster) passed on the 9th day of May, 1977; By-law No. 3217-80 (Dundas) passed on the 3rd day of November, 1980; By-law No. 80-52-F (Flamborough) passed on the 21st day of May, 1980; By-law No. 517-95 (Glanbrook) passed on the 16th day of January, 1995; and By-law No. 89-73 (Hamilton) passed on the 28th day of February, 1989; and all subsequent amendments thereto are hereby repealed on the date that this by-law comes into force and effect.
 - (2) A route for fire or other emergency vehicles established under a by-law of the former area municipalities, shall be deemed to be a fire route under this by-law for all purposes, in particular but not limited to the obligations of the property owner to prevent obstruction, maintain signs, or for prohibitions of parking or stopping.
20. This By-law shall come into force and effect upon the date of issue of an order by the Regional Senior Justice establishing set fines for this by-law.

PASSED and enacted this 18th day of September, 2001.
